

Roxanne M. Deams, LPC, CART
Licensed Professional Counselor

I am a Licensed Professional Counselor and Certified Anger Resolution Therapist. I received a Bachelor's Degree in Psychology from Xavier University of Louisiana and a Master's Degree in Counseling from the University of Houston. For the past several years, I have served children and families in the greater Houston area. My greatest served population has been children under the conservatorship of the state of Texas and the Texas Youth Commission. I have also worked closely with families preparing to adopt and birthmothers making an adoption plan. The primary focus of my most recent work has been attachment, grief and loss, trauma, and domestic violence.

I am a wife and mother of two young children. I enjoy spending quality time with my family and close friends. Family is very important to me personally and professionally. Children and families are my calling and my passion. Helping families and children be better for themselves and each other is my mission.
